August 12 th	Rick Houser	Al Juhl	Tom Swilling	Kevin DiBella
August 19 th	John Collier, Jr	Steve Eaton	James Stewart	Kevin DiBella

CART Fund

You'll notice blue buckets on each of the tables at today's meeting. Last month, the club voted to reinstate the practice of putting these buckets out to collect money for CART instead of the annual assessment added to member dues. But what is CART?

Coins for Alzheimer's Research Trust.

The CART Fund is dedicated to raising funds to provide "seed" money for cutting edge, high impact research in hopes of finding a cure/prevention for Alzheimer's disease.

The goal of the Fund is to encourage exploratory and developmental AD research projects within the United States. This is accomplished by providing financial support for the early and conceptual plans of those projects that may not yet be supported by extensive preliminary data but have the potential to substantially advance biomedical research. These projects should be distinct from those designed to increase knowledge in a well-established area unless they intend to extend previous discoveries toward new directions or applications.

Starting in one SC Rotary club in district 7770 in 1995, CART has been adopted to date by all Rotary district clubs in Georgia and the two Carolinas as well as a number of individual clubs throughout the United States. Assistance from the American Federation of Aging Research was invaluable in validating CART as a legitimate funding source for Alzheimer's research.
