ShelterBox Response Teams delivering aid in the Philippines following major typhoon

With the help of supporters, including Rotarians, clubs and districts, we are working to immediately assist more than 4,000 families affected by Super Typhoon Haiyan.

Our response teams were on the ground during the storm and began conducting assessments immediately following its passing. Thankfully, we had emergency supplies prepositioned in the Philippines that were utilized immediately. But now, more are needed. Find out more at www.shelterboxusa.org.
