Events and Happenings

Gastonia East Rotary and City of Gastonia Downtown Friday Night Concert Series

Gastonia East Rotarians mark your calendar to come out and help with the Rockin' with Rotary concert series presented by Gastonia East Rotary Club and City of Gastonia. The concerts will be at the Rotary Pavilion from 7P – 10P. We will need your help to make this project a success. The dates are May 15, May 29, June 12, June 26, July 10, July 24, August 7, and August 21.

CaroMont Health Community Challenge!

The purpose of our event is to inspire and challenge our community to health. Regardless of your activity level right now, there is a portion of this event geared to you. Get ready for 2015!

This event will tie in community groups and vendors throughout Gaston and the surrounding counties to highlight the great resources we have to stay healthy in our community. Vendors will be coming from all around to show you the goods, services and exercises you can take advantage of along your wellness path.

There will also be tons of free activities and games for the whole family. Come and spend the morning getting to know your neighbors while learning about healthy living in all aspects.

Gastonia East Rotary is the recipient of these proceeds of these funds which we use to support the Gaston County Schools Robot Program. Thanks to this event Gastonia East Rotary was able to leverage \$15,000 of Rotary Foundation funds to support the expansion of the robot program to include more teams and students.

President Karl and President Elect Bill need our help to make sure we reach our goal of \$16,000 to support the program in 2015-2016. You can support the Community Challenge by purchasing a sponsorship and encouraging your business contacts to purchase a sponsorship. For as little as \$100 you can market your business to a targeted audience with the added benefit of helping support STEM in our schools. Sponsorship forms can be found at <http://www.caromontcommunitychallenge.com/wp-content/uploads/Support-Opportunities1.pdf>.
