## Events and Happenings

### Busy week for Gastonia East Rotary Club

The time has arrived! The countdown is over. Can you feel the excitement? Friday, May 15 begins our **Summer Concert Project. Coming Up Brass** will take the stage at 7 PM and will play until 10 PM. There is still plenty of time to volunteer to help. We would love to have you in the Rotary tent to tell folks all about Rotary. We could also use hands at the conclusion of each concert to tear down tents and pick-up litter.

Those of you wanting us to do more hands on community service projects, now is the time to act. This will be hands-on, feet-in, and a whole lot of fun. Just think we are at a milestone of making history in Gastonia East Rotary. With this successful continuing project we can potentially have a major positive impact on educational, social, and civic projects in our community and internationally better than we have ever been able to before. You are a part of changing lives. You are a part of changing our community. You will make a difference.

Barry Wright is our committee chairman along with Mike Stanforth and will be your point of contact if you have questions or want to sign-up to work any of the eight events.

The **CaroMont Health Community Challenge** is the next morning at Stuart Cramer High School in Cramerton. This event is a great opportunity for us to support better health in Gaston County. We are also the recipient of funds that go to support ROBOGASTON Challenge. Gastonia East Rotary will have a booth at the event to talk about Rotary. I welcome your company and assistance at this event to share the Rotary message.
