Thirty Second Elevator Speech

Often when you are in the community and you talk about Rotary or ask someone to join you at a meeting they ask “what is Rotary?” If you haven’t given it much thought you may not know what to say or you may just talk about the eat and meet portion of what Rotary does each week. Here is a good example of a 30 second “elevator speech” to tell someone about Rotary.

Rotary is an organization that makes you feel good by helping others! And works in communities locally, nationally and internationally. We’re a group of local business and professional women and men, who use their skills to make the community a better place to live.

Rotary has led the global effort to eliminate polio. We currently strive to feed, clothe, and educate a diverse population.

We have weekly meetings filled with fun, friendship, fellowship, and interesting programs.

We meet on Mondays at 12:30 at the Gastonia Conference Center. Here is my card. Please be my guest and enjoy a lunch with our club.

**Now you know what to say ...
INVITE SOMEONE TO ROTARY!**
