DISTRICT CONFERENCE

Most Rotarians have never attended a Rotary district conference. They have not experienced one of the most enjoyable and rewarding privileges of Rotary membership.

A district conference is for all club members and their spouses, not just for club officers and committee members. The purpose of a district conference is for fellowship, good fun, inspirational speakers and discussion of matters which make one's Rotary membership more meaningful. Every person who attends a district conference finds that being a Rotarian becomes even more rewarding because of the new experiences, insights and acquaintances developed at the conference. Those who attend a conference enjoy going back, year after year.

Every one of Rotary's more than 500 districts has a conference annually. These meetings are considered so important that the Rotary International president selects a knowledgeable Rotarian as his personal representative to attend and address each conference. The program always includes several outstanding entertainment features, interesting discussions and inspirational programs.

One of the unexpected benefits of attending a district conference is the opportunity to become better acquainted with members of one's own club in an informal setting. Lasting friendships grow from the fellowship hours at the district conference.

District 7680's conference is May 13, 14, 15, 2016 in Asheville, NC. Ask President Bill how you can attend.

It's a Celebration!
District Conference
